MEMORANDUM FOR: Chief, Safety Division, OMS

FROM:

[Redacted]

, Chief, New Building Project Office, OL

SUBJECT: North Loading Dock Corridor

REFERENCE: Memo for C/NBPO fm C/SD, dtd 29 Feb 87, Subject:
New Interconnecting Corridor Beside the North Dock
Headquarters Building

1. Since the new North Loading Dock now falls under the Facilities Management Division (FMD), OL, for the purposes of operation and maintenance, the reference has been forwarded to them for action. FMD informed us they will task Allied to implement the modifications requested.

2. Since the new South Loading Dock under construction is a mirror image of the new North Dock, the New Building Project Office will incorporate the modifications as a change to our construction documents.
